Riddle's Ramblings

The need to impact our world is greater than ever. We sometimes look at what needs to be done and that can overwhelm us. How many thousands in our community need to know Jesus? How much needs to be done to minister to the poor and hopeless? How can we (or I) do anything with little resources and seemingly even less time? But there is the other side. We are doing a lot with teaching and ministering. Sometimes we see amazing results and we can be proud of what has been accomplished. Yet the question is, "can we do more?"

Before we are too discouraged or become too proud let's stop and see what we should be doing.

First, we are to obey the Lord's call in Luke 9:23:

Then He said to *them* all, "If anyone desires to come after Me, let him deny himself, and take up his cross daily, and follow Me."

Second, we are to live differently as in Micah 6:8:

He has shown you, O man, what *is* good;
And what does the Lord require of you
But to do justly,
To love mercy,
And to walk humbly with your God?

And finally, change our way of thinking as in Philippians 4:8:

Finally, brethren, whatever things are true, whatever things *are* noble, whatever things *are* just, whatever things *are* pure, whatever things *are* lovely, whatever things *are* of good report, if *there is* any virtue and if *there is* anything praiseworthy—meditate on these things.

This is a great start!

Blessings!

Steve
